Guest Devotion

God's Gymnasium

Most of us, especially myself, have rarely if ever been to a gym to work out and strengthen our bodies making us more physically fit and overall in better health... But if you think about it, as believers and followers of our Lord we are at the gym all day every day. From the moment we wake up and our brain starts thinking, until we close our eyes and fall asleep, we are at His gym. As we set our feet on the floor to begin our day, we will either walk in the spirit or we walk in the flesh... The more we exercise in the spirit, the stronger our spirit gets and the weaker our flesh becomes. We must be careful not to walk in the flesh thus strengthening our flesh and weakening our spirit... My point is, think of yourself to be at Gods gym all day every day... I hope that we all choose to exercise aggressively today and every day in the spirit at the Lords gym of our daily lives and make our spirit stronger thus making the flesh weaker... the greatest part is you don't even have to move a muscle, all it takes is the right words, the right thoughts and yes, maybe you do have to use a few muscles, but you'll never be sore, or injure yourself, there is no membership fees, no waiting in lines, no sweating, no having to get up and drive there and back!

But here's the best part the Lord is your personal trainer!!
He's available to you 24/7 and free.

Have a blessed day and enjoy your workout at our Lord's gymnasium it's guaranteed you will be a stronger person in the Lord's ways!

Joshua 1:9 "Haven't I commanded you: be strong and courageous? Do not be afraid or discouraged, for the Lord your God is with you wherever you go."
