The Deacon's Corner

So what's the difference between ordinary and adding the word extra in front of it? Most might think that it just means something is "just a little better" .. Nope! Far from it!! transforming the word ordinary to extraordinary becomes nearly the complete opposite of ordinary, Extraordinary stands for something remarkable !! or amazingly great!! There's a book out there some of you ladies went through at your Bible study, the 12 extraordinary women of the Bible... Janet gave me a copy of this book I have been reading it and it truly has opened my eyes to have a greater admiration for these extraordinary women spoken about. But not only them, it's also given me a greater admiration and appreciation for all of you women who are my sisters in the Lord. I think about all you ladies in our fellowship at OakStone and I could definitely consider each one Extraordinary...(especially Hazel) but every single one of you Is extraordinary in your own way and just the way God made you. I'm sure I speak for all us guys when I say we men are blessed to have you ladies, if we men really thought about it, what would the world be like without women... likely there would have been extinction event along time ago (thank goodness for God's perfect plan) The Bible teaches us we all bear the stamp of His own image and there are many examples when women play prominent roles in many key biblical Situations. Whether they are sisters, mothers or grandmothers, from cover to cover of our holy Bible women are exalted, lifted on high, treated with the upmost respect and honor that God said they deserve. God told men to love your wives as Christ loved the church. Just the fact that God created man from the dust of the earth, but women were created from the rib of Adam... Basically what He's done is taken an amazing wonderful thing that he created from dust (men)and improved on it by taking a piece of it and making something better... (women!) OK, I went and said it ! Because it's true... There are many examples of these ladies in scripture, and there is one example of a woman like this in my life who's constant, Faithful, helpful and loving person and has been all my life and that woman is my mom... I love y'all very much, But especially you mom!

The fifth commandment says to, honor thy father AND thy mother, that Our days may be long in the land that our Lord has given us. **Exodus 20:12.**

Mark

PS tell all the women in your life how extraordinary they are to you!
